WHERE: Drain is located on the South edge of Myers Big Lake, near the Louis Szanto property, left of his lake frontage property located at 9326 Myers Lake Ave.

WHO: Bradley Boomstra & or Doug Sporte – Kent County Drain Commission
(616) 366-3688

Bradley.Boomstra@kentcounty.org or Doug.Sporte@kentcounty.org

Last contact on Weir Dam break/leak in 2007 was with:

William R Byl – Kent County Drain Commissioner

1500 Scribner Ave. NW

Grand Rapids, MI 49504

Phone: (616) 366-3688

Fax: (616) 336-3575

DRAIN SPECIFICS

Drain or Weir Dam sets both Big & Little Myers Lake levels were set by Kent County Courts back in 1978, after the flooding of lake properties, roads and septic tanks.

- Low Level of 877.40' to a High Level of 877.70' (from sea level)
- Dam set at 877.15' (from sea level)

BOARD RESPONSIBILITY:

Period checking of the drain to make sure it is clear and free of debris, especially in the spring months. If the Drain Commission has to come out due to the drain being clogged they will charge the association for the visit.
